Homemakers plant trees at energy center

Members of the Manitowoc County Extension Homemakers gathered recently at Point Beach Energy Information Center to learn more about energy. The clubs' education and environmental committees observed Extension Homemakers Week by planting a dozen blue spruce trees on the center grounds. Members involved in the planting are kneeling, left: Audrey Shambeau and Holly Boushka; and standing, left: Adeline Skubal, Bernice Keehan, Jeanette Heyroth, Eleanor Schmoock and Beverly Shambeau.
